

## Architect Designer, Permanent Full-Time

We are a mid-sized (and growing) Architectural firm with over 40 staff located at 279 King Street West in Kitchener, ON. We are looking for an Architect Designer who is interested in expanding their responsibilities and knowledge, and growing along with our firm. At SRM, we offer opportunities for on-the-job learning and development, growth, and exposure to a wide variety of project types including multi-residential, commercial, office, and institutional projects. We believe that architectural designs should embody both functionality and innovation, and strive to produce exceptional designs that meet our clients' vision, budget, and schedule. To learn more about our company, please visit [srmachitects.ca](http://srmachitects.ca)

### Responsibilities

- Create innovative designs based on the client's requirements and site restrictions
- Find creative solutions to difficult design and technical issues
- Work collaboratively with Architect, Project Manager, and other Technical and Design Staff to meet project objectives
- Ensure designs meet or exceed industry standards
- Coordinate and communicate with the client, project team, contractor and consultants
- Project coordination, leading consultant teams to produce full project documentation for innovative multi-disciplinary projects - specifically Multi-Residential, Commercial, and Institutional
- Supervise projects through Construction / Contract Administration

### Qualifications

- 5+ years' experience
- Professional Degree in Architecture Preferred
- Preference will be given to applicants who are registered with the Ontario Association of Architects
- Preference will be given to applicants who are proficient in Revit, AutoCAD and MS Office
- Understanding of current building systems, materials, and all codes in practice (Ontario Building Code, NFPA)
- Comprehensive understanding of architectural standards, building sciences, construction technologies and practices
- Advanced written & verbal communication and organizational skills
- Experience interacting with clients, contractors and consultants
- Dedicated to meeting project deadlines
- Adaptable to changing project parameters
- Ability to provide and receive feedback positively

### Apply

Please send resumes to [info@srmachitects.ca](mailto:info@srmachitects.ca) (Subject: Architect Designer Position).

We thank all those who take the time to apply for the above-noted position. Only those candidates selected for an interview will be contacted.
